From the Board of Directors

Here it is September and soon we will be back at Leisure Lake enjoying the good weather and all of the activities we offer at the Park. I hope everyone had a great summer and I hope everyone has a safe trip back to Leisure Lake.

The summer maintenance report is short but changes are being accomplished. The floors in Clubhouse II have been painted, both Clubhouse roofs have been cleaned, the pickle ball courts have been repaired, and the trash compactor has been replaced because the old one was rusting beyond repair. The swales at the east end of the park are still in the process of completion, because of the rains this summer the swales have been put on hold awaiting dry weather.

When you return to the park remember to check in at the office so they know you have returned and you can pick up your phone directory. Remember to bring in your insurance Declaration Page to the office when you receive your insurance policy to prove that you have liability insurance.

The first Board of Director’s meeting will be October 10th at 9:00 a.m. and the next Board of Director’s meeting will be Friday, October 20th at 2:00 p.m. The First Shareholder’s meeting is Friday, November 17th at 2:00 p.m. If you want to know what is happening at Leisure Lake, come to the Board Meeting, as always everyone is invited and encouraged to attend these meeting.

See you soon!!
Bob Sager, President

Recreation Board President’s Report

August 2017

Well, for us northerners the second half of the summer has been hot, dry and sunny, but we are already starting to see the evenings get cooler. As fall approaches, our thoughts then turn to plans for heading to our southern home. Can’t wait to see all of you!

I would first of all like to extend a thank you to those who have been instrumental in keeping things humming along this summer. It is very comforting to know that we have such capable and willing people to help out. Continue to watch your newsletter for important updates to what’s happening.

As well, we are so happy to learn that Leisure Lake suffered only minor damage during tropical storm Emily and are glad to hear that our year round residents are safe and dry.

I want to wish you a Happy Labor Day celebration and I am looking forward to seeing you in October for another fun-filled season.

Sandi Hoffer, President

Activities In The Clubhouse

This is a friendly reminder to those entering the Clubhouse when an activity is taking place.

We have a few activities that require it to be quiet. They are Qi Gong, Bridge and Ladies’ Bible Study. Qi Gong is on Monday, Tuesday, Thursday and Friday mornings from 10:00 to 10:30 a.m. One half hour is all they need it quiet for. They use the TV which is down by the Bulletin Boards.

So, if you are coming in to read something on the Bulletin Board, use common sense if there is somebody else standing there and wanting to talk. Go outside because loud talking disrupts this class. Also, putting up and taking down decorations, setting up tables, playing pool, etc. can wait for this half hour to get over with. I want you to think about your activity and how you would want to be treated.

Bridge is the same way. I have had people say they are scared to go into the Clubhouse on Wednesday afternoons because they don’t want to interrupt the game. Well, it is the same with Qi Gong and Ladies’ Bible Study. They are willing to share the Clubhouse, but only ask you to be quiet for their exercise program and please don’t walk down through them at this time. Thank you.

Pool Reminder – Towels

We just want to remind you that you need to bring two towels to the pool with you. One to cover your chair or lounge and the other for drying. This is done to help us save on cleaning of the furniture. Oils from your skin, sunscreen, etc. get on the chairs and it will eventually ruin them. We work very hard to keep our pool and furniture in good condition. We gratefully appreciate you doing this for us.

Lot & Unit Inspections

From the mobile home and surrounding area inspection committee.

“THANK YOU” to everyone who made the effort to keep our park clean and tidy again this year. Your efforts are noted by our new home owners, visitors and your neighbors. We will begin again in November and will be looking at the following areas:
1. A clean exterior of the mobile, awnings and shed.
2. Clean gutters.
3. Excessive weeds in planters.
4. Trimmer trees and shrubs.
5. Clean area around the mobile and in carport.
6. Resident decals on cars, golf carts, etc.
7. Lot numbers on front of lots, on rear of mobiles and electric meter panels.
8. Other problems that we recognize as needing attention.

If you feel our assessment of your mobile or area has been in error, please let me know, so we can remedy the situation.

Thank you.

September 2017 - Leisure Lake Co-Op - Page 3
Thank You

Just a note to say THANK YOU SO MUCH for everything you have done for Philip and I during these past years as he has slowly faded from life. Your concern, visits, cards, phone calls, and being here to lend a helping hand to us when we needed it made it so much easier for us to deal with living day to day.

Again, thanks for being our friends.

Mary Bender and Family

****************************

We would like to thank everyone who has sent cards or phoned with kind words and most of all your prayers.

Our loss is so great and our hearts so empty. Each one of you has reached out to us in friendship and love. May each of you know that all of these things have helped us, from the bottom of our hearts we thank you.

We would ask for continued prayers for our family.

Ken Coats, Kendra & Elmer Heisler

Ladies Lunch Bunch

It is hard to believe that our summer lunch “get togethers” have come to an end. I hope everyone enjoyed them as much as I did. It is always such a delight to be with old friends and to make new ones. A big “thank you” to all who helped with transportation and to Bev Hamilton for taking over for me while I was traveling.

I look forward to seeing everyone again the first Wednesday in June, 2018.

See you in November.

Needles Plus

A couple of the girls are meeting in CH II on Tuesdays at 1:00 p.m. for Needles Plus.

This means if you do any kind of needlework you are welcome to stop by and work on your project. Maybe you need help with something, well, they are there for that, too.

This will be through the month of September because they are usually on Wednesdays at 1 p.m. in CH II in the Fall. They will switch back to Wednesdays when everybody is back.

So, until then, stop in even if you just want to chat for awhile.

Janet Adler

Woodburning

We are meeting every Monday at 1 p.m. til 3:00 p.m. in Clubhouse II.

We had the pleasure of having Dorothy & Wayne Freeman’s granddaughter little Olivia join us. She came for two Mondays and she did a great job tracing a picture of a Barn and then burning it onto the wood. She really enjoyed learning and left to go home to Canada with a shopping list to get what she needs to continue.

The class size is growing and we have 5 to 7 each week. More people are welcome. Stop by any Monday to see if you might like to try.

4th Of July Picnic

Another 4th (15th year) has come and gone and a special Thanks goes to those who helped. Thanks to the Recreation Association for the money to buy the food. Thanks to Bonnie Pfister for informing the residents in the newsletter. Thanks to Jane Conn who was emcee. Thanks to Ron Harmon and Martin Mortensen for helping grill the hamburgers. Thanks to Ron Harmon for calling bingo and to Bob Wilder for his help. Thanks to Violet Wagner for serving the baked beans. (Dottie Miller we missed you after all these years you helped us) God be with you and your family. Thanks to Marie Schnepf for making the potato salad and donating it and to Beverly for serving it. Thanks to Bob Zukowski for making cowboy potatoes and donating them. Everyone said they were good. I don’t know because we ran out before everyone got served. Thanks to Joan and her daughter Kate Overbeck for serving the drinks. Thanks to Debra Pennington for serving the cowboy potatoes and the chips. If we missed anyone that helped THANKS.

Hope you all enjoyed the 4th of July Picnic.

Thanks again,
Curtis and Laura Troxell

Leisure Lake Bridge Club

It has been a pleasure for me these last 5 years to run the Bridge Club and to see you all advance in your Bridge skills!

Due to changes in my life, I will no longer be in charge. I am doing a great deal of traveling and plan to do more.

There are several people within the group who are capable of running the game, hopefully one will step up so that you can continue on.

Whomever it will be should let the Recreation President know so that you can maintain your time slot as there maybe another group who would like the time slot.

I wish you all the best, have fun and enjoy the Wonderful World of Bridge.

Euchre

We are approaching another fun-filled season of Leisure Lake activities. It would be remiss if we didn’t send out a “BIG THANK YOU” to Jim & Merlene Hancock for the (MANY) years of Fun & Friendship with Wednesday Night Euchre.

Euchre is played on Wednesday Evenings at 7:00 p.m. in Clubhouse I. Cost is 25 cents to play and another 25 cents for the Voluntary Drawing held when play is ended. We are planning to start on Wednesday, November 8, 2017 at 7:00 p.m. in Clubhouse I.

Please come out and join the Fun.
